

## Dear Community Member,

The RE/MAX Community Grant Chest was created in 2018 to provide funding to local nonprofit organizations doing vital work in the Stanwood-Camano Community. The first community event held to raise funds was "Evening with the Hidden Stars," a fun-filled evening of local musical talent combined with a lively auction. In August of 2021 we introduced an event called "Rock The Cause": a concert held at Kristoferson Farm on Camano Island featuring Savanna Woods from The Voice, Chris Eger and Shaggy Sweet.

On August 19th, 2023 we hosted the first annual Funk & Junk Festival at the Stanwood-Camano Community Fairgrounds. An event for all ages, the festival included a swap meet, concert, and car show. Thanks to our wonderful community and contributors, we were able to partner with the Stanwood-Camano Area Foundation and provide \$15,000 in community grants, which are vital for our local non-profits as a resource for special projects and ongoing initiatives.

These are examples of programs that are funded through your help:

- **CASA (Camano Animal Shelter Association)**
- **Safe Harbor Free Clinic**
- **Village Community Services**
- **Stanwood-Camano Food Bank**
- **Camano Center**
- **The NOAH Center**
- **Stanwood-Camano YMCA**
- **Stanwood Area Historical Society**
- **Lincoln Hill Retirement Community**
- **American Legion Post 92**
- **Arrowhead Ranch Foundation**
- **Sound Water Stewards of Island County**
- **Community Resource Center**
- **Utsalady Ladies Aid**
- **Housing Hope**
- **Warm Beach Camp & Conference Center**

In addition to your donation helping our community, your business will be recognized and promoted to our attendees. This initiative is all about "neighbors helping neighbors".

We are currently seeking sponsors and donations for the second annual Funk & Junk Festival at the Stanwood-Camano Community Fairgrounds on Saturday, August 17th, 2024. All sponsorship information is included within the next page. If you are unable to participate as a sponsor we kindly ask that you consider contributing a donation of any amount so we can continue to support our local non-profit organizations after a few incredibly challenging years.

Thank you for your consideration and all that you contribute to make Stanwood and Camano Island a wonderful place to live!

Looking forward to your partnership,

RE/MAX Community Grant Chest
